DESCRIPTION

Power and style in one solution

The new Plus 5 is equipped with all the features and processing performance needed to manage a successful business. The rack-mountable motherboard provides easy maintenance and upgrades, ensuring minimal downtime and maximum scalability. With its elegant black design and 15.6” high-definition 1920×1080 (16:9) touchscreen, it offers an exceptional visual experience, enhanced by a stand that allows the monitor to tilt up to 90°. Ideal for any commercial environment, the PC POS Plus 5 combines design, power, and convenience for efficient and modern transaction management.
