DESCRIPTION

Working more efficiently and effectively with NQure 800 III

The NQure 800 III industrial tablet is specifically designed to **optimize production efficiency** with an 8-inch multi-touch screen in Corning® Gorilla® Glass that provides maximum protection in any environment. Designed and tested to withstand drops up to 1.2m, the tablet features a structure with reinforced contours and corners and it is IP67 certified.

The NQure 800 III can meet all the needs of your business, features excellent connectivity (Bluetooth 5.0, a 4G micro-SIM card slot and 802.11 a/b/g/n/ac Wi-Fi connectivity) and it has a built-in barcode reader. A perfect tool for those who want to work faster and more efficiently.
