DESCRIPTION

FAST, LIGHTWEIGHT AND COMPACT. Mobile printing applications require a fast, user friendly, manageable and lightweight device. The Citizen CMP-40L portable printer with Wi-Fi has all these features and is so compact to be easily carried on belt or shoulder strap. With IP54 industrial standard, it is weather and dust resistant and withstands drops up to 4.9' (1.5 m). Like all Citizen printers, it is extremely easy to use and program. With quick configuration and paper loading, it is compatible with iOS devices and android systems.
