DESCRIPTION

CUSTOMIZABLE, PRACTICAL AND PERFECT FOR SELF-SERVICE.

The Nquire1000 2D BT is a versatile, easy to install device that can be used anywhere. Ideally suited for shelf mounting or on-counter usage in department stores, supermarkets, small grocery stores, drugs/cosmetic stores, tobacco kiosks and more. Due to its broad range of features, mounting accessories and expansion slot accessories, the Nquire1000 is highly customizable, allowing you to take self-service to the next level in the way that best suits your needs. Different mounting options are available: folding table support and two different brackets with VESA mount. With excellent scanning performance, it is perfect for everyday use.
