

**NQire 800 III
Opah
Tablets**

Features

Integrated barcode scanner.

With built-in barcode scanners, look to the NQire 800 III Opah as the perfect solution for your business. Work faster, more efficiently and more effectively.

Impact protection.

With Gorilla Glass® and a 1.2M drop rating, the NQire 800 III Opah is rigorously designed to be protected from accidental bumps with reinforced edge and corner protection.

IP67 Certified.

IP67 certification ensures that the device is dustproof and can be submerged into water up to 1 meter for 30 minutes for complete peace of mind.

Connectivity assured.

Always keep connected wherever your team is based with

Bluetooth 5.0, 4G and Wi-Fi 802.11 a/b/g/n/ac connectivity. GPS tracking lets your team use location-based apps for increased accuracy and security wherever they are.

Easy-hold hand strap.

The NQire 800 III Opah easy-hold hand strap has a fully removable backplate that securely screws into the tablet's main body. With 360-degree rotation, users can position their tablet in either vertical or horizontal orientation for ease of use.

Built-in Stylus.

A discreet built-in capacitive stylus provides precision navigation and is designed to aid the function of any workforce.
